

# **Handling Seminar For Juniors**

**SPONSORED BY THE ATLANTA KENNEL CLUB**

**Friday, April 10, 2025**

The seminar will be in the Heritage Building during the Judges's lunch break. The instructors for the seminar will be members of the American Kennel Club's Professional Handlers Program.

Each participant will need to bring their dog on a leash for hands-on instruction. There will be a discussion session after the training session.

After the seminar there will be an ice cream social in the lunch room for all participants of the seminar.

During the week we will have a scavenger hunt for the juniors participating in the seminar. There will be a prize offered for the most information collected. In case of a tie there will be a question pertaining to junior ring procedures.

Any questions should be addressed to
