

# GROOMING AT THE PEACH BLOSSOM CLUSTER

## **PAID RESERVED GROOMING:**

There are a limited number of spaces which will be assigned in the order reservations are received. One 8'x10' space is \$100 for the whole 5-day circuit including access to shared electric. There are no individually designated plugs. Please bring a multiple plug adapter to share power if needed. Paid reserved grooming will be in the climate-controlled McGill building (#6 on the map). Vehicles may enter the gate between McGill and MMH to load and unload, or use the North walk gate right next to McGill. Parking will be in the North lots.

## **FREE GROOMING:**

Free grooming space is available in building #7 (Sheep & Swine 1) on the map with Big Ass Fans at no charge. Shared electric is available in the free grooming area for \$25 for the cluster. The \$25 electric fee for free grooming will be collected by CJ Favre, CASH or CREDIT CARD. If you have 4 or more dogs, you may reserve space in the free grooming building—see form on next page.

## **UNLOADING ON TUESDAY**

**On Tuesday (ONLY) unloading will be allowed via the North Gate between the Sheep barn and McGill buildings. No parking will be allowed.**

*All grooming rules will be at show committee discretion and may change if circumstances warrant.*

## **PAID RESERVED GROOMING RESERVATIONS:**

*Reservations must be received by Friday, March 27, 2026*
